Please briefly describe the nominee's level of participation with the Chicago Alliance to End Homelessness (i.e., Board of Directors, SPC Executive Committee, Committees and Constituency Groups), the Chicago Planning Council on Homelessness, and/or other work and experience related to homelessness that makes the nominee qualified to be a representative to the committee(s) checked above.

I have been participating as an Alternate over the past year and would like to continue in that role. In the most recent past, I have participated as a member and co-chair of the Evalution Tool Subcomittee. I have been working in the area of homelessness and workforce development for the last 15 years, and I feel my workforce development background brings an important perspective to the work of the Chicago Alliance to End Homelessness and the Ten Year Plan.
